

# SKI with BOB MURAN

**April 1-8<sup>th</sup> 2014, 7 Nights**

Set high in the Canadian Rockies, this popular mountain resort just keeps getting better. Guests can enjoy slope side accommodations and the Panorama Springs Hot Pools, along with a variety of dining and nightlife options to suit any taste. Because of its remote location in the Purcell Mountains, Panorama is like a mountain retreat, with all the trappings of a tremendous destination resort: walk-to-lift accommodation, high-speed quad chairlifts, and a relatively close international gateway airport (Calgary). Other features include ice skating, snowmobiling, sleigh rides, no lift line-ups and no crowds. Sink your skis or boards into incredible snow on immaculately groomed runs that plunge down a massive 4,000 vertical feet. For beginners, intermediates and experts alike, Panorama offers something for everyone.
